1. The drawings of 19 August 2003 are accepted as FORMAL.
2. The following is an examiner's statement of reasons for allowance:

None of the prior art of record either taken alone or taken in any possible combination would anticipate or would tend to render obvious Applicant's claimed method as set forth in independent claim 1 that is particularly characterized at least by claimed method steps (a), (b), and (c) of claim 1 taken together and taken in the overall context of independent claim 1.

Dependent claims 2-38 are allowable for at least the reasons for which independent claim 1 is allowable.

None of the prior art of record either taken alone or taken in any possible combination would anticipate or would tend to render obvious Applicant's claimed apparatus as set forth in independent claim 39 that is particularly characterized at least by the claimed "state estimator adapted to repeatedly calculate ..." (lines 2-4) and the claimed "solid state navigational sensor (SSNS) module adapted to provide primary aiding data in response to signals received ..." (lines 5-9) taken together and taken in the overall context of independent claim 39.

Dependent claims 40-58 are allowable for at least the reasons for which independent claim 39 is allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
